

TERRIBLE STORM SWEEPS ILLINOIS

Bloomington, Pekin and Peoria Suffer Loss of Life and Property.

MANY ARE DEAD

Storm Lasted for Four Hours, Unroofing Buildings and Tearing Up Trees.

CROPS ARE RUINED

Bloomington, Ill., June 11.—A terrible storm swept Bloomington at midnight last night, causing damage of a quarter of a million in this city and probably as much more in the country and villages nearby, cutting off communication and creating panic among the inhabitants.

A Genuine Tornado
The tornado appeared shortly before eleven and raged with full fury for fifteen minutes. Houses and business blocks were unroofed and half of the plate glass in town was shattered. Trees and telegraph poles were leveled and the streets were swept by rain and wind.

Terrified Citizens
Many people fled to the streets when the houses were unroofed. So far as learned this morning there were no fatalities. Reports from other sections of central Illinois report serious conditions.

Three Killed
At Merna three women were killed in the storm and about twenty injured.

Pekin Fatalities
Pekin, Ill., June 11.—In a cyclone that passed over this section last night three men were killed at the Kingston mines and two there were fatally injured. Great damage was done to the corn crops.

Death Rate Increases
Peoria, Ill., June 11.—The worst storm in fifty years raged here for four hours last night and this morning. Seven lives are known to have been lost and untold damage done. The wires are down in all directions.

Mystic Shrines Convene.
San Francisco, June 11.—The Imperial Council of the Nobles of the Mystic Shrine began its twenty-eighth annual session in Golden Gate hall. The meeting was preceded by a parade, which included about 1,500 nobles, some of them mounted, and many in picturesque oriental attire.

National Society, D. of R.
New York, June 11.—Important amendments to the constitution of the National Society of Daughters of the Revolution, of which Adeline W. Sterling is president general, are to be considered at a special meeting of the national society which has been called for June 16 in this city.

Mob Maltreats Chinaman.
Idaho Springs, Col., June 11.—Louis Sling was strung up to a tree twice by a mob and threatened with death if he did not leave town never to return. The mob's wrath was aroused by the Chinaman's efforts to run away with a white girl named Nellie Merchen.

Fire Destroys Warehouses.
Philadelphia, June 11.—The Germantown Junction Elevator and Warehouse company's building and the grain warehouse of L. J. Miller & Sons, together with a half-dozen dwelling houses, were destroyed by fire. The loss is estimated at \$125,000.

Circus Performer Injured.
Grand Rapids, Mich., June 11.—During the evening performance of a circus here, Mlle. Naoma Ethardo, a contortionist, fell while performing upon two chairs. She struck on her head and became unconscious. Her injuries may prove fatal.

Confirms Barker's Sentence.
Trenton, N. J., June 11.—The supreme court affirmed the conviction of Thomas G. Barker, who was tried for shooting the Rev. John Keller of Arlington, N. J. Barker was sentenced to five years in state's prison and is now serving his term.

Oldest Active Doctor Dead.
Freehold, N. J., June 11.—Otis Freeman, believed to have been the oldest practicing physician in America, is dead. Dr. Freeman was born in New Hampshire Dec. 30, 1809. He continued practicing until five days before his death.

Gifts to Princeton.
New York, June 11.—In connection with the commencement exercises at Princeton, formal announcement has been made of a gift of \$60,000 by the classes of 1900 and 1901 to be used for special purposes at the university.

Excited Over Rumor.
Madrid, June 11.—The rumor that Great Britain intends to purchase the district of Lorenzo Marquez, in Portuguese east Africa, has caused great excitement in Portugal.

Hangs Himself in Jail.
Ottumwa, Ia., June 11.—Edward Hale, who shot and killed Miss Zora Donaho in the streets of Cantril on Decoration day, hanged himself in the jail at Keosauqua.

PAY THE PENALTY WITH THEIR LIVES

Two Colored Boys Are Lynched in North Carolina for Committing Murder.

Charlotte, N. C., June 11.—Two colored boys, Harrison and James Gillespie, aged 13 and 15, were hanged by a mob of infuriated citizens this morning for the murder of a young white girl named Nellie Benson. The murder occurred on Monday and the boys were arrested soon afterwards and confined in the jail. The mob this morning broke into the jail and swung the boys into eternity in the open square.

BLOWN TO DEATH IN A MINE

Three Men Killed in Michigan by the Explosion of Dynamite.

Ironwood, Mich., June 11.—Three men were killed by an explosion in the Aurora mine of the Oliver Mining company. The dead: Isaac Ryan, Thomas Johns, Arthur Tregembo. The men were at work in a drift when some dynamite near at hand exploded. Two of the victims were identified by their shoes and the third by shreds of clothing.

Locust Sting May Cost Hand.
Temple, Pa., June 11.—Frederick Heckman was stung between the first fingers of his right hand by a seventeen-year locust and his hand is swollen to twice its normal size. The physician fears his hand will have to be amputated.

Feud Leaders Are Dead.
Rushville, Ind., June 11.—As the result of a long standing feud between the families of John Bailey and Oliver Cameron, both living at Falmouth, Rush county, Bailey and Cameron are both dead, each killed by the hand of the other.

STATE NOTES.

LaCrosse has a teamsters' strike. Small pox in Appleton has closed the schools there.

A creamery at Fond du Lac was robbed last night.

A farm house near Milton was burned by an incendiary.

Three miners at Ironwood were killed by an explosion.

Grand Rapids is to have a reunion of the 12th Wisconsin.

Eau Claire is to be a dry town after 11 p. m. from now on.

A Racine man died from being choked by a peach stone.

A farmer at Bovina suicided Tuesday owing to ill-health.

Officers are in search of a paroled prisoner in Manitowoc.

After the first of July, beer will cost the consumer more money.

The wreck on the Wisconsin Central has been cleared away.

Oconto Falls has decided against incorporating into a village.

A 12 year old runaway was found in Manitowoc following a circus.

Beloit is to have a school for dress-making, the first in the state.

The cheese factory at Wood was burned to the ground on Tuesday.

Black smallpox has broken out in Menominee and one man has died of it.

A Menominee man who tried to commit suicide with a pen knife will recover.

A bolt of lightning hit the Trinity hospital in Milwaukee and did some damage.

One of the pioneer hotel keepers of Beaver Dam, Abraham Shipman, is dead.

Portions of Marinette are inundated and the citizens are forced to travel on rafts.

Northwestern university at Watertown is holding its commencement exercises.

A young girl at Chippewa Falls, was struck dead by lightning while writing at a desk.

Otto Mein, a Milwaukee boy, who died in the Philippines, will be buried in Milwaukee.

The circus tents of the Norris and Lowe Company, were burned at Manitowoc last night.

A Chicago man ran from Chicago to Milwaukee in 4 hours and a half in an automobile.

There will be no further discussion by the faculty of the university as to the shooting and bazing scrape.

Gus Dirk, a New York illustrator and a former Wisconsin boy, committed suicide in New York yesterday.

The man who assaulted the eight year old girl at Wausau, has pleaded guilty and sentenced to prison for ten years.

Lawrence university will send out its students during the coming summer to solicit aid and pupils for the school.

Sheboygan is tied up by a street car strike and the companies are having a hard time to supply the places of the strikers.

A 11 year old girl at Monticello was killed while climbing a windmill shaft by her hair catching in the shafting and crushing her skull.

George Peck, of New Richmond, has pleaded guilty to the charge of embezzlement and will go to state prison for a term of years.

The Kenosha street car company has asked the city to give back the \$65,000 bond deposited with them at the time of the company's organization.

Architects at Racine will not compete in the plans for the new Carnegie library at that city and are very indignant over the action of the board on certain questions.

Renominate Hepburn.
Creston, Iowa, June 11.—W. P. Hepburn was renominate for congress by the Republican convention for the eighth congressional district of Iowa.

IRISH HERO IS IN LAW'S TOILS

Col. Lynch, a Former Boer Leader, Under Arrest in London.

AN HONORABLE M.P.

Colonel in Irish Regiment During War, and Member-Elect of Parliament.

THE CHARGE, TREASON

New Haven, England, June 11.—Col. Arthur Lynch, elected a member of parliament from Ireland, while fighting for the Boers as colonel in the Irish regiment, was arrested here this morning on his landing from Dieppe, France, with his wife and sister-in-law. Lynch was indicted for treason some time ago.

Lynch Is Arraigned
London, June 11.—Lynch was arraigned at the Bow St. court this morning. He did not reply to the charge when asked if he had any statement to make he replied, nervously, "No Sir."

"He Is Not A Burgher."
In the House of Commons this afternoon the Irish members raised the question of Lynch's arrest and in reply to a query as to whether Col. Lynch did not have the same right to surrender as the other Burghers, the government leader, Balfour, replied: "He is not a Burgher."

M'GARRY FOUND GUILTY OF BRIBING SALSBUARY

After Six Weeks' Trial the Jury Declines Against Him, Despite a Strong Alibi.

Photo by Fitting, Paris. COLONEL ARTHUR LYNCH.

Allegan, Mich., June 11.—Thomas F. McGarry of Grand Rapids was found guilty of bribery by the jury, before which he had been on trial in the circuit court for six weeks. It was charged that McGarry paid Lant K. Salsbury \$25,000 to use with the council to put through the deal in the water system from Lake Michigan to Grand Rapids. McGarry proved an alibi by ten witnesses. Salsbury was city attorney of Grand Rapids. McGarry was one of the leading attorneys retained by A. E. Cameron, the promoter, as counsel for the company in New York. Stilson V. McLeod, assistant cashier of the First National bank, and McGarry were indicted last October. Salsbury and McLeod were convicted in March and are now serving two years each in the Detroit house of correction. McGarry will carry the case to the Superior court. His bond of \$7,500 has been furnished and he has secured a stay of forty-five days.

HILL REPORTS CROPS AS GOOD Spring Wheat Acreage Is Somewhat Reduced in the Northwest.

New York, June 11.—James J. Hill, who has returned from a trip through the west, said regarding the crop outlook in the northwest: "The acreage of the spring wheat crop will be a little smaller this year than last, as many of the farmers varied their crops to some extent, putting in other things on a larger scale than previously, but the general results of the crops will be very satisfactory if the present conditions continue. We get reports from hundreds of agents over the lines who are in a position to give us accurate information about the crops. Corn prospects are all right."

New Mexico Geysers Active.
Santa Fe, N. M., June 11.—The United States geological survey has been notified by Capt. J. P. Conner that the sulphur springs in Barnaillito county are showing unusual activity. There are some twenty-six geysers among the springs, pulsating every thirty seconds. The largest geyser, which has been quiet as far as the memory of man extends, is reported to be sending up a stream five feet high.

MITCHELL BACK AT HIS OLD POST

Disappointed Over Failure at Intervention, But Is Still Cheerful.

TRAINS STOPPED

Strikers Refuse to Allow Provisions To Go to the Stockades.

NO COMPROMISE, YET

Wilkesbarre, June 11.—President Mitchell resumed charge of the miners' headquarters here this morning. He was disappointed over the unsuccessful attempt at intervention by Commissioner Wright, but is not discouraged over the situation. Compromise, however, is out of the question.

STOPPED TRAINS

Freeland, Pa., June 11.—No freight is being moved over the Delaware, Susquehanna & Schuylkill Ry., today as a result of the turning back of a train crew by the strikers this morning. Railroad employees attempted to move a train loaded with supplies for non-union miners, but were not permitted to do so by the strikers.

RAILWAY NOTES

Stolen Lumber Found At Last:
Sometime ago, while the Chicago, Milwaukee & St. Paul road were rebuilding the bridge across the river from the east end of the dam to the race way, a quantity of the heavy timbers and other lumber mysteriously disappeared during the night. Chief Hogan was notified of it, after the parties had helped themselves for a couple of nights and put an officer up there to see if they could get any clew to the parties taking the lumber. After that the thefts ceased, but no trace of the missing timbers.

The St. Paul company were not satisfied with losing the timbers, so sent one of their detectives out here to look the matter up. He went to work and after several days' careful search located the party that carried the timbers away. He was notified that the company knew where the timbers were and that he could save trouble by calling at the office and settling. When he found out that the company's detective had him dead to rights he called and settled and paid a good round price for the lumber.

Break Down in Depot:
A large section of the floor of the old St. Paul freight station gave away yesterday, dropping a number of coils of trolley wire belonging to the interurban electric road into the basement. Fortunately none of the transfer force were around when the floor gave way. The coils of wire are extremely heavy and it will take a strong tackle to get them back onto the floor.

Placing Archways:
The Northwestern road is putting in a heavy stone arch over the waterway through the Lovejoy property along the line of the Evansville cut-off. They will also put in other arches at bad places along the line. John Long, of this city, has charge of the work. Two forces of men and two pile drivers are kept busy doing the work.

New Sunday Train:
The Chicago and Northwestern road will put a train in service on Sunday the 14th that will be a great convenience to the people of this city and others along the line between here and Fond du Lac. The train will leave Janesville at 7:35 a. m., and returning reach here at 6:50. Parties wishing to spend Sunday at Koshkonong and other lakes north of here will find it a great convenience. A rate of a fare and a third has been made by the company for the round trip to Fond du Lac and all intermediate points for this Sunday train.

Some Interesting Facts:
A bulletin issued by the interstate commerce commission shows that during the three months ending Dec. 31 last there were 1,481 railroad collisions and 877 derailments in the United States, in which 274 persons were killed and 2,089 injured. Accidents of all other kinds increase the total to 813 killed and 10,235 injured. The damage to cars engines and roadways by these accidents amounted to \$2,075,091.

SIDI ALI DEAD

Famous Mohammedan Leader of Tunis Dies Suddenly
Tunis, June 11.—Sidi Ali, Bey of Tunis, died suddenly this morning.

WILL REDUCE INDEMNITY

Conner Cables That Powers Come Down \$10,000,000 On China
Washington, D. C., June 11.—Minister Conner, Pekin, cables the announcement that the Powers have agreed to reduce the amount of the indemnity demanded from China by about ten millions.

HONORED REID

King Edward Receives America's Representative
London, June 11.—Whitelaw Reid was received by King Edward this afternoon.

Sanford Soverhill and family are spending a few days at their cottage on Lake Kegonsa.

WEST POINT IS IN GALA HUE

The Celebration Draws Large Crowd to Hudson School—Cadet Titus Honored.

West Point, June 11.—The celebration of centennial day at the military academy began with the arrival of President Roosevelt and other distinguished guests. The president and the party were escorted from the depot by a detachment of cavalry. The cadets stood at attention at the barracks while the president passed. After the review a reception was held at the superintendent's headquarters.

HONOR BRAVE BOY

At the close of the review Cadet Titus, who scaled the walls of Pekin when a member of the Fourteenth Infantry, was called from the ranks and presented with a medal by the President in behalf of congress amid great applause.

MAT QUAY STILL LEADS FORCES

Dominates Pennsylvania Politics at the State Convention Today
Routing Elkins.

Harrisburg, Pa., June 11.—The republican state convention was called to order here this morning. Senator Quay appears to be in full control and the nomination of Pennypacker for governor seems certain.

SENATOR QUAY.

A publican state convention was called to order here this morning. Senator Quay appears to be in full control and the nomination of Pennypacker for governor seems certain.

TAX COMMISSION WORK DISCUSSED

Senator Whitehead Shows More Plainly the Work of Taxation.

AN ABLE TREATISE

Governor and Commission Did Not Agree on the Fundamental Ideas.

THE NINTH LETTER

In taking up the discussion of the tax question in his ninth letter Senator Whitehead dwells upon the space devoted to the taxation of the railroads that was in the Governor's message on that subject. One tenth of the entire letter was given to this portion of the taxable property.

The position assumed by the governor in treating this subject at the commencement of his term of office was so entirely different from that taken by the newspapers now supporting his candidacy for a renomination that the quotation from his message with which the current letter opens is well worth careful perusal. The letter follows:

Janesville, Wis., June 10, 1902.

To the Gazette:

At the close of my third letter, I presented the tables that the Governor's message contained, in which he set out the classification of property, its assessed value, its market value, the per cent. of assessed to market value, the amount of taxes paid, and the rate of taxation based upon the market value of property. The tables covered the years 1890 and 1899. I now merely call them to mind in connection with the portion of the Governor's message relating to the taxation of corporations, which immediately follows the tables, and was as follows:

"The results given in the foregoing tables may be slightly varied, by changing the order of classification, and by extending the investigation over a period of several consecutive years. I believe, however, that no substantial variation in result will be obtained by any different method of investigation which may be adopted. The disclosures here made are positively startling, and, unless these tables are shown to be radically wrong, they present a situation calling for prompt action on the part of the law making power of the State. This action should neither discriminate in favor of nor against any class of interest, but each individual and every corporation transacting business within the State, excepting such fraternal and other associations as are now expressly exempt from taxation, by law, should be required to pay a justly proportionate share of the taxes."

"One of the questions you will have to determine in dealing with this subject is whether railroad companies shall be taxed directly by assessment upon the value of their property, or whether they shall continue to pay under the license system a certain percentage upon their gross earnings. The strong objection to a license fee upon gross earnings is that it allows the corporation to make its own report of its gross earnings, or, in other words, to assess itself. It is but just to note in this connection, that, as appears by the above tables, the railway companies have been fairer than the average of individuals, who, as to the great mass of personal property, assess themselves; the percentage of assessed to market value of the railways being 20-5100 as against 12-9100 for all other personal property in 1899. In no case, however, should the assessment be left to the taxpayer, whether corporation or individual, without some check or safe guard for the State. If the railway companies are to be taxed directly by assessment upon the value of their property, then I have no hesitation in saying that the assessment should be made by a state board of the highest possible character and ability. If the present system of a license fee, fixed at a certain rate per cent. upon gross earnings, is to be continued then I recommend that there be reposed in some representative of the State, either Tax Commission or the Board of Assessment, authority to increase the amount of gross earnings, reported by any railway company, to such sum as will, in the judgement of the Commission or Board of Assessment, render the amount just and equitable as representing the actual gross earnings of the company reporting the same, that such be made taken as prima facie evidence of the actual gross earnings of such railway company; but that any railway company considering itself aggrieved by the sum so fixed as gross earnings may appear before such Commission or Board of Assessment and be fully heard, and produce witnesses and evidence in their behalf in respect thereto. The final determination of the Commission or Board should in some form be subject to the supervision of the courts. Authority to increase the amount or value of personal property of the individual, as returned by him, is now conferred upon the assessor by statute. Like authority should be given the Tax Commission or Board of Assessment with respect to the corporation, if taxed upon its own report of gross earnings."

The above quotation occupies about one-tenth of the space in the message allotted to the subject of taxation. About one-half of the portion of the

CLASS NIGHT IS DAILY OBSERVED

GRADUATES GIVE A SPLENDID
PROGRAM AT HIGH SCHOOL.

Hundreds Turned Away from the Auditorium, Where an Immense Audience Enjoyed the Customary Class Night Exercises and the Play—Decorations Are Artistic.

No better proof of the great interest which the people of this city take in the Janesville High school and its graduates could be given than the attendance at the High school building, last evening for the opening night of the commencement exercises. Hundreds of people were turned away and long before the hour for the beginning of the program, it was found necessary to lock the doors.

Many people were at the building by 6:30 o'clock and before the doors opened at 7:15 an immense audience had assembled. Long before 8 o'clock every available inch of space in the auditorium was occupied, every chair was taken and many people were standing along the walls.

The auditorium had been elaborately and handsomely decorated with the class colors, red and gold, for the occasion. From the center of the gymnasium was suspended an inverted umbrella of gigantic size, covered with folds of red and gold bunting and with artificial roses in the same colors. Long streamers of bunting were looped gracefully from this novel and handsome, central decoration to the corners of the room. The gallery railing was concealed under a drape of bunting and above the wainscoting on either side of the stage there was a frieze of red crepe paper with a gilded border in handsome design.

Decorative Features. Above the stage was the class motto, "No Success Without Endeavor," in gilt bordered letters of red and suspended below the motto was the reproduction of the class pin bearing the letters, "J. H. S. '32." The stage setting was especially beautiful, an abundance of potted palms being used effectively. A great bunch of red roses, with a few blossoms thrown carelessly on the table, added a brilliant dash of beauty to the picture. A softened rosy light pervaded the entire room, the effect being produced by the hundreds of incandescent lights which were shrouded with red tissue paper and by the handsome red-globed banquet lamp on the stage. This subdued light gave an appearance of oriental splendor to the red and yellow decorations. The Junior class received much praise for the artistic taste and lavish expenditure of time, effort and money displayed in the decorations, their final tribute of affection to the departing seniors.

Some Excellent Music. The music for the evening was furnished by the orchestra from the State School for the Blind and the talented musicians never played more exquisitely. Their program included, "Poet and Peasant," "My Creole Belle," "Oriental Waltzes," "Zampa," a selection from "Martha," and a gallop and both the classical and the popular selections were played with a brilliancy and finish which delighted the audience.

Words of Welcome. Promptly at eight o'clock the curtain rose and Supt. H. C. Buell spoke a few words of greeting. After deploring the fact that there were those who had been unable to gain admission and stating that it was another proof of the fact that the school had outgrown its present quarters in many ways, Supt. Buell stated that the exercises would be typical of class night, representing the jolly side of school life and the spirit of the class.

The formal address of welcome was given by Frank Holt, president of the class. His clear voice and forceful delivery commanded the attention of the great audience at once and his happy words of welcome were listened to with pleasure and interest. Mr. Holt expressed the appreciation which the class felt of the honor conferred by the presence of the audience. He referred with gratitude to the advantages enjoyed by the class while in school and said that as they stepped over the threshold into the future they would remember that endeavor alone was success. One step had been taken in the formation of character and the foundation was one, the value of whose influence could not be estimated.

Interesting History. One of the best numbers on the program was the class history given by Matthew D. Roberts. The speaker was dressed as Father Time and carried the emblematic scythe. Out of an immense record book he read some of the achievements of the wisest and best class that ever entered the school, a class famous in its possession of athletes, trophies and scholars. Even in the freshman year the class had been ably represented in declamatory contests, on baseball, basketball and football teams. As sophomores the outcroppings of genius began to appear; as Juniors three of the four medals awarded for literary work, three of the four medals given for athletic prowess and the Denison cup, representing the football championship of the school, were won by the class; as Seniors they captured the four medals offered for literary and oratorical contests and retained the Denison cup. The historian spoke tenderly of the memory of Lillie Shuler, who died during the Freshman year and of Leon Ayers, whose death occurred during the past year. He closed with a few humorous allusions to members of the class, during which he was frequently interrupted with shouts of laughter from the appreciative audience.

The Poem and Will. Miss Bethana Miller read the class poem, which was a bright and well-written history of the four years of High school life. The language was poetical and Miss Miller's charming manner, graceful presence and clear delivery added to the value of the poem.

One of the wittiest numbers on the program was the class will given by Stephen L. Pitcher. The will was written in full legal form on yard after yard of paper, which made a long roll, and it was duly signed, sealed and witnessed. The bequests to the other classes and to the members of the faculty created a great deal of amusement and the number was exceptionally well given.

An Original Prophecy. Originality and clever ideas characterized the class prophecy which was written by Miss Isabella Menzies, who is a gifted writer and speaker. Miss Menzies was assisted in giving her number by Frank Holt, the two being dressed by two rather elderly people. In conversational manner, over their tea-cups, they discussed the members of the class and told each other where their former classmates were winning fame. Some of the futures foretold were amusing and the audience enjoyed the prophecy immensely.

The most pretentious and only serious numbers of the program were the declamations by Miss Alice Crawford and Miss Gladys Nicholson. Miss Crawford recited "Jerry, the Bobbin Boy," a beautiful and dramatic selection which was given very effectively by the young graduate. Miss Nicholson's selection, "The Rose of Rome," was also intensely dramatic and some exceptionally strong and clever work was shown in its delivery. Both Miss Crawford and Miss Nicholson possess elocutionary talent in a marked degree.

Clever Class Play. The chief interest of the evening, however, centered in the class play, a clever, three-act comedy entitled, "Our Boys." Ten members of the class participated in the play and the cast was an exceptionally clever one for amateurs.

Stanton Makes A Hit. The honors of the evening were captured by Harry Stanton, who as an ignorant but large-hearted retired outter merchant, was simply immense in more ways than one. He never forgot his part for a moment, his bluff manner was irresistibly funny, his by-play was clever and never overdone and he carried the part with the assurance of a professional. The great hit which he made was a surprise even to his friends and his appearance on the stage was the signal for prolonged applause.

Rollin Lewis played the opposite part of the snobbish aristocrat and he both looked the part and acted it well. The two old fathers were the central figures in the play.

Clever Juveniles. Ross Bump, as the educated but worthy son of the butter merchant, and Will Fox, as the foolish son of the aristocrat, carried their parts well. Mr. Bump was especially clever and his acting, particularly in the serious parts and in the love scenes, was dramatic and in excellent taste. Will Fox looked the part of the affected young fop to perfection and his work grew better as he gained assurance. His love scene with Miss Wright was admirably done and kept the audience convulsed with laughter.

Pretty Young Ladies. Elsie Fathers was charming as the spirited young heiress and Edna Wright played the part of her poor, but independent cousin with dash and brilliancy. Both young ladies acted well their parts. The character work of Miss May Merritt as a maiden lady of uncertain years was cleverly done and took immensely with the audience, while the part of the loquacious house servant, as taken by Miss Gertrude Van Beynum, was one of the gems of the evening. The character stood out in marked contrast to the other parts and Miss Van Beynum, with her grotesque make-up and shambling, uncertain manner, certainly made a decided and well-deserved hit.

Minor Parts Well Taken. The minor parts of the two men servants were capably taken by Michael George and Lester Strang, both mak-

ing the most of their opportunities and doing their part toward making the play one of the best amateur productions ever given in the city. The comedy was handsomely staged and costumed. Its success is largely due to Mrs. Janet B. Day, under whose efficient direction the rehearsals were held. She was ably assisted in the excellent make-ups for the characters by Clarence Burdick and the stage was cared for efficiently by a committee of students consisting of Fred Hutchinson, Clarence Sutherland and Louis Gage.

Tonight's Program. Class night was certainly a signal success. The same interest will be manifested in the exercises of tonight and tomorrow evening. The doors will not be open until 7:15 o'clock and the program will begin promptly at 8 o'clock. The program for this evening follows:

Wednesday Evening.
Instrumental Music.....Soprano Sisters
Froebel and His Work.....Grace Ryan
The Cause of Color.....Edith L. Little
History of the Drama.....Bertha Hogan
Crystallography.....Helen M. Dean
Vocal Solo, "The Golden Bells".....Lotta Bemis
The Nature and Importance of Wave Motion.....Luella Gaarder
Virgil and His Works.....Florence M. King
Parasitic Plants.....Lulu Howard
Practical Gymnastics.....Ella Sutherland
The Interurban Electric Railway.....Corra M. Willhelmy
Vocal Solo.....Mrs. John O. Rexford

RUNAWAY MATCH

Youngest Son of Clinton Babbitt, of Beloit, Marries in Haste. Beloit, Wis., June 11.—(Special.)—Miss Edith Flint, daughter of J. F. Flint, proprietor of the Star Mills, and Ralph Babbitt, youngest son of Hon. Clinton Babbitt, eloped to Rockford yesterday and sent back word last evening that they had been united in marriage. The woman was a book-keeper in Hardy's grocery store. She and Mr. Babbitt have been keeping company for some time. There was no parental objection to the marriage and the friends of the young people are at a loss to understand why they chose to steal away quietly and secretly to the minister instead of being married at home.

Presentation of Diplomas.
Benediction.

PLOT THICKENS
Divorces Who Obtained No Judgment and Married Again Worried Several of the people who thought they were divorced but in reality were not, on account of no judgment ever being filed, have been looking the matter up and are hustling around to get the necessary coin to pay the lawyer and the clerk's fees and get their judgment on record. District Attorney Jackson may be called upon to take some of the cases in charge as the parties are liable to criminal prosecution.

Beaumont Mill Burns.
Beaumont, Texas, June 11.—The Beaumont Lumber Company's mill burned, resulting in a loss of \$250,000, well insured. The fire started in the shavings and sawdust under a saw.

One Dose
Tells the story. When your head aches, and you feel bilious, constipated, and out of tune, with your stomach sour and no appetite, just buy a package of
Hood's Pills
And take a dose, from 1 to 4 pills. You will be surprised at how easily they will do their work, cure your headache and biliousness, rouse the liver and make you feel happy again. 25 cents. Sold by all medicine dealers.

OLDEST TWINS IN UNITED STATES

Mrs. Noggle, a Former Janesville Resident, and Her Sister, Hold This Honor.

Mrs. Anna M. Noggle, widow of the late Judge David Noggle and for many years a resident of this city, celebrated the eighty-seventh anniversary of her birth recently at Monroe. The celebration was one of more than ordinary significance because on the same day at Omaha, Neb., her sister, Mrs. P. M. Johnson, also celebrated the attainment of the eighty-seventh year of her life. To these two women, well-known in this city, belongs the unquestioned distinction and honor of being the oldest twins in the United States.

Both ladies are hale and hearty, active participants in life's occupations and interests and keen observers of people and events. They are the youngest of fifteen children, and are the only surviving members of the family. They were born at Greenfield, near Rochester, N. Y., May 29, 1815 and both married when quite young. A remarkable feature of both the twins is their fine mentally and retention of intellectual powers. Their memories are clear and Mrs. Noggle's deafness is the only physical imperfection which either of them suffer.

Mrs. Noggle has many friends in this city where the family resided for many years, before moving to Idaho where her late husband was at one time chief justice of the state. All of Mrs. Noggle's seven children are living and one daughter, Mrs. C. G. Williams, is now visiting here. Six children were born to Mrs. Johnson, three of whom are still living. These aged twins have lived lives of great activity and usefulness, and, having observed the rules of comfort and good sense, they have suffered but very little from illness. They hope to celebrate their birthday together next year.

The Madison Medicine Co. owns the exclusive right to manufacture Rocky Mountain Tea. Tea sold which is not made by us, is a deception. Never sold in bulk. Always packages at 15c. Smith's Pharmacy.

DANCING MASTERS MEETING.

Teachers of the Light Fantastic Choose F. W. Kehl on Works Committee.

F. W. Kehl, of Madison, and well-known in this city, where he has conducted dancing classes for the past two or three winters, has been appointed chairman of the works committee of the National Association of Dancing Masters, which is in convention at Milwaukee. This committee is of special interest to lovers of the light fantastic, for the reports on new dances were referred to its members.

The dancing masters seem to believe that the vogue of the popular two-step, which has held the center of the stage at dances for the last ten years, has about run its course and some of the masters believe that dancers are ready for a revival of the stately dances of the olden times, such as the minuet, polka, and schottische. The five-step, which is akin to the military schottische, is being given a great deal of attention at the convention, because of its increasing popularity.

Recover Fire Victim's Body.
Saratoga, N. Y., June 11.—The body of Miss Mary F. Charrington, the fifth victim of the fire which destroyed the Arcade and other buildings, was taken from the ruins.

Starting and Staying.

At the start in a long race, the advantage often appears to be with an outsider. But the race is won not in starting but in staying. The quality which wins is staying power. It is so in the race of life. Staying power wins, and as a rule the best stayer is the man with the best stomach. All physical strength is derived from food which is properly digested and assimilated. When the food eaten is only partly digested and assimilated there is a loss of nutrition which means a loss of strength and the general result is physical breakdown.

Dr. Pierce's Golden Medical Discovery gives strength and staying power, because it cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of the food eaten, and so strengthens the body naturally by the nutrition derived from food.

It was troubled with indigestion for about two years," writes Wm. Bowker, Esq., of Julietta, Latah Co., Idaho. "I tried different doctors and remedies but to no avail, until I wrote to you and you told me what to do. I suffered with a pain in my stomach and left side and thought that it would kill me. Now I am glad to write this and let you know that I am all right. I can do my work now without pain and I don't have that tired feeling that I used to have. Five bottles of Dr. Pierce's Golden Medical Discovery and two vials of his 'Pleasant Pellets' cured me."

Accept no substitute for Golden Medical Discovery. There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pellets are easy and pleasant to take. A most effective laxative.

J.M. BOSTWICK & SONS.

THE BIG STORE 20, 22, 24, 26, 28, S. MAIN ST., JANESVILLE, WIS.

WE KEEP THE QUALITY UP TO THE BIG SAMPLE LINE OF

FANS...

We were lucky in getting a large assortment of Fans, intended for Summer, but as they were sent from New York rather late, the season being so far advanced, the agent decided to let us have the lot—about 300 Fans—and made us a big discount, which enables us to offer them at Bargain Figures—Bear in mind, please, that these Fans are in perfect condition. They were sent by express from New York to Milwaukee and then direct to us, and were never shown on the road. It is certainly a rare pick-up. Young Ladies about to graduate can find here just the right fan. They are marked low; the prices run: 25, 35, 40, 50, 60, 75 and 90c, 1.15, 1.50, 1.75, 2.25, 2.50, 3.50 and \$4.00. While most of the Fans are white and white with delicate coloring, spangles etc., there is a liberal sprinkling of handsome Black ones. The fans priced at \$1.75 to \$4.00 are 50c to \$1.50 under price. Call early and get first choice.

LINENS...

An agent's sample line of Hemstitched and embroidered Centers, trays, scarfs, doilies, shams, cases, lunch cloths, etc., received June 2nd. Owing them at the prices we do, we are able to offer them at exactly wholesale figures. There are probably 250 pieces altogether. Delays are dangerous, but prompt action will avail much. Price range: 10, 15, 20, 25, 30, 40, 50, 60, 75, 85 and 90c; and 1.25, 1.50, 1.75 and \$4.00.

SKIRTS...

ARE SELLING FREELY
We surely have an exceptionally large line of them. Skirts of every description, for all occasions. Fancy Linens, 1.50; 2.50, 3, 4, 4.50 to \$9.00. White Figure, 5, 6, 7, 8 and \$10. Our \$2 linen is exceptional worth. Light Wool Etamine Shirt Waist Skirts, black and colors, unlined, are much under price, at \$12. Silk Skirts, 7.50, 12, 15, 18, 20 to \$40. Black Nets over fancy linings, black and white fancy net, black silk lining. Black Wool Skirts, beautifully trimmed, to wear with shirt waists, a swell line. Colored Wool Skirts, 75 styles. You can surely get suited from our fine assortment of Skirts. If you want to get ready in a hurry to take a trip, come to us. Our stock is complete. **SHIRT WAISTS**—In silk or cotton, white and colors, large showing. **SUITS**—all at cut prices. It is an excellent opportunity to buy a suit. Our range of styles is wide. We are selling Black and Colored Suits at Small Figures and making Alterations Free.

Royal Worcester Tape Girdle...

CORSETS....

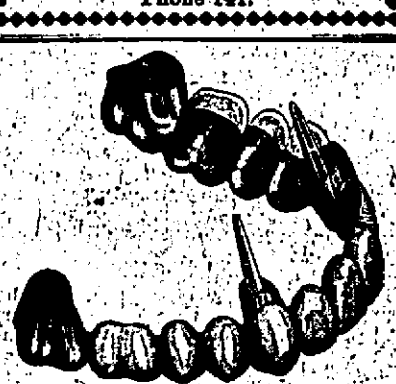

Single bone strip, with short waist, medium low bust and short hips, 4 hook, 11-inch clasp, made from fine quality satteen in white, drab, pink and blue. Trimmed with lace, ribbon, insertion top and bottom. Sizes 18 to 30. \$1. A very popular Corset—we carry the numbers of Royal Worcester Corsets that we carry in Janesville. See the odd Corsets that we offer at 43c.

There's a Confidence

In using Buob's Beer that it's as fine an article as money or best materials can buy or make. We want to convince you of this fact, and only ask that you'll give our Beer a trial; make good our claims.

Recommended by hotel and restaurant keepers and used in the best homes in Janesville. We are local agents. Last month we gave away hundreds of free samples—our way of proving it's good qualities.

D. DRUMMOND & SON

Opera House Bldg., Janesville.

COLORADO

The way to get the best accommodation is via the

GREAT ROCK ISLAND ROUTE

WHY? It is the only direct line to Colorado Springs and Manitou. It is the popular route to Denver. It has the best dining car service. It has the finest equipment and most satisfactory schedule, and in the ROCKY MOUNTAIN LIMITED offers the best train, only one night, Chicago to Colorado.

It leaves Chicago daily at 6:45 p.m. and arrives at Denver 8:45 p.m., Colorado Springs (Manitou) 8:30 p.m. Another inducement to use the Rock Island will be the round trip rates of \$25 Chicago to Colorado and \$15 Missouri River points to Colorado effective this summer by that line. Ask for details and free books. "Under the Turquoise Sky" gives the most fascinating description of Colorado. "Camping in Colorado" has full details for campers.

FRANK GILMER, T.P.A.
400 Rialto Bldg., Chicago.

SURGICAL OPERATIONS

How Mrs. Bruce, a Noted Opera Singer, Escaped an Operation. Proof That Many Operations for Ovarian Troubles are Unnecessary.

"DEAR MRS. PINKHAM:—Travelling for years on the road, with irregular meals and sleep and damp beds, broke down my health so completely two years ago that the physician advised a complete rest, and when I had gained

sufficient vitality, an operation for ovarian troubles. Not a very cheerful prospect, to be sure. I, however, was advised to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash; I did so, fortunately for me. Before a month had passed I felt that my general health had improved; in three months more I was cured, and I have been in perfect health since. I did not lose an engagement or miss a meal.

"Your Vegetable Compound is certainly wonderful, and well worthy the praise your admiring friends who have been cured are ready to give you. I always speak highly of it, and you will admit I have good reason to do so."—Mrs. G. BRUCE, Lansing, Mich. \$3.00 per bottle. If above testimonial is not genuine.

The fullest counsel on this subject can be secured without cost by writing to Mrs. Pinkham, Lynn, Mass. Your letter will be entirely confidential.

Specials.

We have a fine line of Men's Wool Pants in a dark gray hair stripe. It is a very good fitting Pant and wears well. Sizes from 32 to 42. A big value at \$2.25. \$2.00 new.

Underwear.

Remember that we also carry a complete line of Men's and Ladies' Underwear and you can save money by buying here. Just received a new lot of Ladies black mercerized Underskirts with an accordion pleated flounce at 18c.

E. HALL.

55 W Milwaukee St

Heart Beats

that are too fast or too slow, too strong or too weak, are not the kind that come from a healthy heart. Remember, every heart that pains, flutters, palpitates, skips beats, and every heart that causes fainting spells, shortness of breath or smothering, is weak or diseased, and cannot keep the blood circulating at its normal rate.

"My heart was very weak and kept skipping beats until it missed from one to three beats a minute. Well knowing what the result would be if this trouble was not stopped, I began taking Dr. Miles' Heart Cure, and two bottles brought the heart action to its normal condition."

D. D. HOLM.

Huntington, Ind.

Dr. Miles' Heart Cure

never fails to benefit weak or diseased hearts, when taken in time. Don't wait, but begin its use at once. Sold by druggists on guarantee.

Dr. Miles Medical Co., Elkhart, Ind.

NEWS OF THE COUNTY**MILTON.**

Milton, June 10.—The farm house of Frank Rupnow, at Otter Creek, four miles north of this village, was destroyed by fire, at 3 o'clock this morning. There had been no fire in that part of the house and the boy was awakened by smoke. He alarmed his parents and they escaped without shoes or stockings. The piano near the door was saved and but little else, small insurance in Farm company.

FULTON.

Miss Basha K. Pease, closed her school near Center last Friday for the summer vacation.

Master Harold Miller, has come to spend part of his summer with his aunt, Mrs. Frank Sayre, Jr.

Mrs. Web Hill and son Frank, of Madison, have been spending a few days with Mrs. Nell Hill.

Archie Reid spent a few days last week with his father, Rev. A. S. Reid.

Perry Williams of Janesville, was in the village last Saturday.

Wm. Lee was home over Sunday. O. P. Murwin made a business trip to Janesville Tuesday.

MILTON JUNCTION.

Milton Junction, June 9.—Roy Brown, of Janesville, spent Sunday at home.

The Children's Day exercises at the M. E. church last evening were unusually good and reflected great credit on those who had the program in charge.

Miss Addie Burrington went to Sun Prairie, Friday, for a week's visit with friends and relatives.

Mr. and Mrs. Earl Partridge are rejoicing over the arrival of a baby boy.

Mrs. Allie Armstrong, worthy grand matron of the O. E. S. in this state, visited the local chapter Saturday.

Mrs. Armstrong spent Sunday with Mrs. G. W. Yerkes.

Mrs. W. H. Rand is the guest of her daughter, Mrs. Earl Partridge.

Eugene Bliven, of Edgerton, spent Saturday and Sunday in the village.

Miss Hester Pennywell returned to her home in Stoughton Saturday.

Mrs. M. J. Ogden, of Milwaukee, is visiting at the home of her father, Ira Pellett.

Mr. and Mrs. Herbert Miles and son of Milwaukee, are guests of R. C. Maxwell.

Miss Mabel Winch, of Whitewater Normal, spent Sunday at home.

HANOVER.

Hanover, June 9.—The Children's Day exercises yesterday were very good indeed, and great credit should be given the committees who had this in charge.

Miss Carrie Inman and Arthur Arnold, both of the Town of Plymouth, prepared a surprise on their relatives by returning from the Woodman picnic, at Rockford, as man and wife.

Their many friends will extend congratulations.

Willow Dale camp No. 2902, M. W. A., will hold their third annual picnic July 4th, in Owen's Grove, 1-2 mile north of the village. Good speakers and good music will be in attendance.

Liberal prizes will be offered for races. Fireworks in the evening, will be followed by a dance in M. W. A. hall.

Everyone is invited to come and assist in celebrating the glorious 4th.

Willow Dale camp, No. 2902, M. W. A. and Marie Camp No. 310, R. N. A., will hold memorial services at M. W. A. hall next Sunday, June 15, at 1 p. m.

Hon. David Throne, of Atton, will deliver the address. After the exercises at the hall, the Woodmen will proceed to the cemetery, to decorate the graves of deceased neighbors. A cordial invitation is extended to all to attend.

Mrs. Geo. McCrea, Mrs. Swan and Mrs. Albert Stark, of Atton, were guests of Mrs. Bertha Gundle, on Sunday.

Mrs. Kate Zlenow, of Janesville, spent several days of last week with relatives and friends in Hanover.

JOHNSTOWN.

Johnstown, June 10.—The heavy rains of last week have thoroughly saturated the soil and crops on low ground are beginning to suffer on account of so much moisture and many fields of corn are very weedy. The farmers will commence setting tobacco this week; a few have started already.

Erwin Keith and daughter, of Lake Preston, S. D., is visiting at the home of his cousin, Marvin Keith.

Mrs. H. A. Fellows of Schoolcraft, Michigan, is paying her sister, Mrs. E. C. Abbott, a visit.

C. Creig has a new tobacco setter, Will Zuili, is having a telephone placed in his home.

Charles Hulbert and wife and Mrs. James Hulbert spent Wednesday at Turtle Lake, fishing, report lots of fish.

B. B. Woodbury, of Ceylon, Ohio is visiting his friend Will Jones, and making improvements on his farm in the way of new fences.

A few from here attended the Woodman's picnic at Rockford.

John Ward, our new road commissioner, has commenced repairing the highway and we hope he will remember where those terrible muddy places were last spring.

Mr. and Mrs. B. Clark, of Richmond, spent Sunday with Mr. and Mrs. Will Jones.

Miss Gertrude Rockwell is home from St. Louis, to spend her vacation with Dr. and Mrs. Rockwell.

Frank Nickerson came home from Milwaukee last evening with a new drivin' horse.

Mrs. A. Cogswell and daughter, and Agnes McManus visited in Janesville Saturday with Mrs. Lew Snierman.

Mr. and Mrs. Woodstock of Lima took dinner with Mrs. Lolo Cummings last Saturday.

Chas. Obrien's son who was away from home about a month ago has been located at Portland, Oregon. It is a consolation to his parents to know he is still alive and well.

Mr. and Mrs. O. Halverson, entertained their brother from Richmond, Sunday.

BORT, BAILEY & CO.**THURSDAY, JUNE 12****EMBROIDERIES.**

MISS ROSE OWENS,

No. 720 Seventeenth St.,

WASHINGTON, D. C.

"If every suffering woman has the same experience with Wine of Cardui that I had, your medicine will be most popular. About a year ago I began to have a worn out tired feeling with lassitude, pains in the back and head which kept increasing every month. I felt that I needed something, but to get the right medicine was the trouble. I finally decided on your Wine of Cardui and only needed to take three bottles when I was fully recovered."

Miss Rose Owens.

If you are a suffering woman we would say to you that Wine of Cardui seldom fails to completely cure any case of female ills. We say emphatically, it never fails to benefit. Every day hundreds of sufferers are writing to our Ladies' Advisory Department. The letters are opened by persons competent to give advice. Mrs. Jones was cured by following the advice which was freely given her by the Ladies' Advisory Department. Miss Owens was cured without advice by just buying a \$1.00 bottle of Wine of Cardui from her druggist and taking this great medicine in the privacy of her home. No doctor's examination, treatment or advice is necessary. You have read what these two cured women have written. Is this not enough to lead you to determine to be rid of suffering?

August 13, 1900, Mrs. W. H. Jones, of Cameron, Mo., writes:

"I suffered terribly at monthly periods for three years. I would sometimes go for seven months with no flow at all. Now I

WEATHER FORECAST.
 Partly cloudy tonight and Thursday.

REPUBLICAN CAUCUSES

The Republican caucuses to elect delegates to the county conventions will be held throughout the county Tuesday, June 17. In the towns these caucuses will open at 2 o'clock p. m., and in the villages at 7:30 in the evening. Two sets of delegates will be elected. One to attend the county convention to be held at the Court House, July 8, for the purpose of electing delegates to the state convention, the other to attend the county convention at the Court House, July 10, to nominate county officers. The call in detail is published in another part of the paper. These caucuses are very important and should be attended by every republican.

THE LAFOLLETTE CLUB.

In response to invitation, The La Follette Club appeared in last evening's Gazette, with a communication addressed to the editor, but devoted to Senator Whitehead.

The LaFollette club seems to enjoy one or two distinctions. It is either composed of a small coterie of faithful followers, or if it represents more than a few paid officials, it has a following that in its blind idolatry are willing to subscribe to anything that the club may issue over the intangible signature "The LaFollette club." In the communication referred to the "Club" appears to take it for granted that Rock county republicanism is as weak and inexperienced as the new political faith known as LaFolletteism. The author or authors ignore the fact that the history of the last legislature is not ancient history, and that every intelligent reader in the County knows that so far as a primary law was concerned, that the one and only measure to which the Governor would give consideration was the Stevens Bill.

If the LaFollette Club had been on earth during the session of the legislature it would have discovered the fact that both the Senate and the Assembly, favored submitting the question to the people, and but for the obstinacy of the man whose name they have adopted, a primary law that had in it something to recommend it beside personal ambition, would have been given a trial.

The same ignorance that characterizes the discussion of the primary law, is evidenced on the taxation question, and can only be excused on the ground of inexperience.

The corporations paid half of the State taxes last year, and furnished the club's namesake with a special train at \$65.55 per day. The one mill octopus contributed a million and a half to the fund, and the people paid the matter.

It is a matter of record that any intelligent tax-payer understands that the corporation tax bills were killed in an assembly composed of a majority of LaFollette men.

Senator Whitehead had no more to do with the action than the LaFollette Club.

Every fair minded man admits that corporations should pay their share of taxes and no more. When the tax commission makes their next report it will include more than a recommendation to increase corporation taxes, because time has been given to list other kinds of property. The next legislature will have the pleasure of doing business with a governor or that is approachable and measures like the Frost mortgage bill, after being endorsed by both houses, will not be vetoed without cause. The sublime ignorance concerning funds to support the republican league, would possess the innocence of childhood, but for the spirit manifest in the charges. The Gazette will answer these charges by defying the LaFollette club to produce the name of a corporation which has contributed a dollar to the league in Milwaukee or any of its branches throughout the state. The league is also destitute of game wardens and oil inspectors.

Regarding the First assembly District, the Gazette will admit that the LaFollette Club is fairly well informed but the organization overlooks the fact that the respectable minority in that district represented republicanism, while the majority represented LaFolletteism, elevated to power by the aid of "fair minded democrats." It was simply a case of necessity and the republican element of the LaFollette club, will say before the year closes, that Rock County republicanism was wise when it saved the First district from political suicide. The campaign, so far as the county is concerned, will close one week from tonight. The caucuses will decide the question over which the factions have contended so persistently for the past eight months.

The question a month later will settle the same question for the state. Whatever may be the outcome that will be the end of LaFollette clubs or anything else beside the time honored republican club, organized for the purpose of maintaining the supremacy of the republican party.

Whether Gov. LaFollette or Senator Whitehead shall lead the host, the ranks will not be depleted, for republicanism means more than any other political ism yet discovered.

ANONYMOUS LETTERS.

An irate correspondent in the town of Fulton sends the Gazette an unsigned communication and evidently expects to see the same in type. One of the rules that govern all newspaper offices, is to pay no attention to anonymous correspondence, and this rule the Gazette has always observed. It is safe to assume that the man or woman who is ashamed to own the authorship of a communication by signing it, is too much of a coward to command respect.

It is fortunate for our Fulton friend that he belongs to this class of timid citizens, for he charges the Gazette with bribery, and his name is the only thing lacking. If he will forward the paper will very cheerfully publish his communication, and will attempt to give him enough newspaper notoriety to last him until cold weather.

The one thing that is not surprising about the letter is that it comes from a LaFollette shouter, and he has no reason why he worships the chief executive, or why he rejects a home candidate. If he should stop shouting long enough to do a little thinking, he might meet with a change of heart, but this class of men never think, so the change will not occur. There may be some excuses for this party because Fulton is a suburb of Edgerton, and some of the hot air of that LaFollette stronghold has escaped and blown over into the adjoining town.

THE FRIARS AND THEIR LANDS.

Dispatches from Rome indicate that the negotiations between the Washington government and the vatican for the transfer of the lands held by the friars, of the Philippine government are well under way, with promise of being brought to a successful issue.

There is little reason to question the condition of affairs set forth in the representations of Gov. Taft to the vatican. The governor recited that owing to the fact that the friars had represented the Spanish government in the islands, they have been brought in dispute by the natives; that the friars have been driven from their charges and are gathered at Manila and that the most satisfactory arrangement for both state and church would be for the state to purchase the land holdings of the friars, and the church in return to replace the friars with American priests.

To relieve the Philippine peasants from the exactions of landlordism, will be calculated to invite their allegiance to the colonial government, but in buying the lands of the friars provision should be made to prevent their falling in the hands of another set of landlords. Such provision is not made in the senate Philippine bill although the house bill drawn by Representative Cooper, leaves no loop-hole through which landgrabbing syndicates could secure possession of lands now held by the friars or forming the public domain. Milwaukee News.

THE CANAL ROUTE.

An unexpected element has entered into the discussion of canal route and congress may have a busy time to determine the choice.

The eruption at Martinique, has impressed the fact that volcanoes are dangerous neighbors, and the Nicaragua route, which has had many supporters has lost caste, because it supports twenty-five burning mountains that are more or less active.

Senator Morgan favors the Nicaragua route, and is so persistent in some of his arguments, that he has made himself the laughing stock of the senate. He says that he will give his personal guarantee that the route will never be disturbed by volcanic eruption.

This would be all right if Senator Morgan was investing his own \$200,000,000, or if his own life or property alone were involved, but the government will hardly consider him good insurance against this class of risks. If Congress settles the question at this session, the Panama route will be selected. Earthquake and malaria infest the extreme southern route, but they are easier to contend with than volcanoes.

WITHOUT A COUNTRY.

Forry Jung, a Chinaman of Nicaragua, is having a novel experience just now as the result of exclusion laws in this and other countries.

He has been a resident of Nicaragua for a number of years, and amassed quite a little fortune. A few days ago he sold his property and embarked in one of the Bluefield line steamers for New York, but discovered on arrival that he was not permitted to land on account of our exclusion laws, so he remained on board for the return trip, to be again disappointed, for the laws of Nicaragua, never permit a Chinaman to return.

The Bluefield steamer line are at a loss to know what to do with him. He will continue to be a passenger until he can be transferred at sea for some port where Chinamen are permitted to live ashore.

The loss of life in the old St. Luke Sanitarium, is one of the tragedies in Chicago life. Inmates in straight jackets, behind bars, not because they were criminals, but because in the delirium of drink it was necessary to protect them from themselves. In this condition the fire found them and imagined torture became intensely real.

Senator Stout of Menominee, is a believer in practical education. He

is at the head of the best traveling library system in the country, and is now interested in colleges of Agriculture, in connection with the country school. The Senator belongs to the class of men who help to keep education in the channels of every day usefulness. Sec. Wilson of Washington is to speak for the senator in his home town this fall.

The Gazette published a communication from the La Follette club, and expected to publish more, but in the meantime, the club has established an organ of its own; so when State Veterinarian Roberts and Oil Inspector Conrad called with a second epistle this morning, they were politely referred to their own organ. They admitted the fairness of the proposition, and went away satisfied.

The young man in Madison who shot his friend by accident, when out on a hazing expedition, furnishes an other example of the foolishness of carrying fire-arms. A University student needs a revolver for protection, about as much as the institution needs the governor for a guardian, both are dangerous.

PRESS COMMENT.

Milwaukee Wisconsin: With her rich pearl fisheries and her recently discovered gold mines. Prairie du Chien will rival the Klondike and Cape Nome.

Milwaukee Journal: A small thing like shooting a student during a hazing bee at Madison, ruffles neither the faculty or the police while preparing for a state convention.

La Crosse Republican & Leader: Cornelius Vanderbilt undertook to run an engine the other day and started the train so suddenly that he threw a man off of the rear platform. In a little while he will be fully competent to run freights.

Those who are always ready to figure Mr. Bryan out of prominence in the Democratic party must find little consolation in the vociferous cheers with which his name was received in every Democratic state convention held this year. Juneau Independent.

Fond du Lac Commonwealth: Gov. LaFollette has not added to his chances of renomination by the direct snub which he offered Secretary of State Froehlich this week. Mr. Froehlich is one of Wisconsin's most popular state officials.

LET'S LIQUIDATE.

Two New York newspaper men of two different publication met on the street the other day, and one of the craft carried a dejected look rather than an unusual thing in the profession. In this case it was emphasized by the fact that the gloomy one was a bridegroom of recent date. "Her old chap! You look glum. Nothing happened, eh? Not fired? No, job's all right. I'm worried that's all." "What's the trouble?" "Well I'll tell you. Fact is that I have got a seakish wife and a miskrat salary." "Don't let that worry you old man! Most of us fellows are in the same predicament. Lets liquidate."

CITY DEATH ROLL

Mrs. Patrick Knight
 Mrs. Patrick Knight, a former resident of Footville died at the home of her daughter, Mrs. Mary Knight of Monroe, last evening. Deceased was well known throughout Rock county and her death will be sincerely regretted by many friends. Funeral services will be held in Monroe on Thursday morning and the remains will be brought to this city on Thursday morning at 10:35 o'clock for interment in Mount Olivet cemetery.

Mrs. E. Carter
 The funeral of the late Mrs. E. Carter was held this afternoon at 2 o'clock from the home on Elizabeth street. The Rev. Richard M. Vaughan of the First Baptist church officiated. The interment was at Oak Hill cemetery.

YATES STARTS ON A JAUNT

Will Attend Commencement Exercises and Later Visit Chicago.

Springfield, Ill., June 11.—Governor Yates left Springfield to be absent until the early part of next week. He went to Champaign, where he will deliver an address at the commencement exercises at the state university. Afterward he will go to Carbondale to visit the state normal school, Thursday and Friday he will visit the hospital for the insane at Aurora and then the governor will go to Chicago to attend the meeting of the Republican state central committee Saturday.

BIG CAR FERRY TURNS TURTLE

Too Heavily Laden on One Side She Sinks at Her Dock.
 Mackinaw City, Mich., June 11.—While loading cars at St. Ignace the big car ferry St. Ignace turned turtle and sank to the bottom of her slip in twenty-four feet of water. With her went a number of heavy laden cars of iron ore. The entire crew of the ferry escaped. The accident was caused by running the ore cars all on one side of the ferry, with nothing on the other side to balance the boat. The sinking is the second within a month, in which car ferries figure, the Algoma having sunk at her dock at the Soo by being overloaded on May 14.

CONTAGIOUS DISEASE

A SURE WAY TO AVOID IT IS TO USE PASTEURIZED MILK.

Much contagious disease has manifested itself in Janesville during the past few weeks. Impure milk has had much to do with the spreading of scarlet and typhoid fever. Physicians recommend the use of Pasteurized Milk and Cream. The Pasteurized Milk Factory operated by the Bower City Milk and Cream Co., on South River street, is daily receiving most liberal patronage. Pasteurized Milk in bottles is daily delivered to any part of the city and at the same price one pays for impure milk.

THE ADVANTAGES OF ELECTRICITY.

For lighting and power are so numerous and so well known that it isn't worth the while naming them here.

Our only object in bringing this matter to your attention is to remind you that it will be to your advantage to have us install in your home, your office, your store, or your shop, whatever electric appliances you require for lighting, ventilating machine running, etc. Have your new house wired when built. It can be done then cheaper and better than afterwards. Get our prices on writing.

BLIND STUDENTS GRADUATE TODAY

Class of Nine Young People Finishes the Course of Study at the State School.

Commencement exercises were held at the state school for the blind this afternoon and nine young people were made happy by the possession of the coveted rolls of parchment, official proof of the completion of the course of study at the state institution. The members of the graduating class are William Dobbins of Marinette, Samuel E. Egadve, of Stoughton, S. Elizabeth Emerson, Janesville, Alfred G. Feistel, Sheboygan; Jessie M. Foster, Janesville; D. Mildred McFate, Waupun; Caroline M. Palmer, Janesville; Daniel J. Roberts, Baraboo; and Mathilde A. Schmittke, Eau Claire.

The exercises were held in the large gymnasium which was filled with a large audience of relatives and friends of the graduates. The program which began at 2 o'clock was an exceptionally fine one and was very well rendered. Supt. A. J. Hutton presided and Rev. Richard M. Vaughan officiated as chaplain, offering the eloquent opening prayer and pronouncing the benediction.

Well Written Oration. The orations presented by the graduates were all well written and excellently given. They showed a careful study and were a credit to the young people whose work they represented. Miss Jessie Foster's thesis on "Music" was one of the best numbers, the thoughts being beautifully worded. Miss Elizabeth Emerson presented "A Bird's Eye View of Wisconsin" which was exceedingly interesting and much valuable information was ably told in William Dobbins' oration on "Cumberling and Forestry in the United States." "Resume of School," by Miss Caroline Palmer, was well composed and very entertaining, and Samuel Egadve gave a masterly oration on "The Supremacy of Russia."

One of the ablest orations was presented by Daniel Roberts on "Government Ownership of Railroads." Miss Mildred McFate gave a very clever critique on "Hamlet" and Mathilde Schmittke's oration on "Homes, A Civilizing Agent," contained some excellent practical thoughts.

The final oratorical number was especially strong being an able discussion of "Democracy" by Alfred Feistel.

Splendid Music. The musical part of the program was exceptionally good and was representative of the work done at the school. The orchestra played "La Calife de Bagdad," by Boieldieu, excellently and a string quartet, composed of H. W. Adams, Leo Lange, George Leutenberger and Samuel Egadve, played a beautiful "Romance" by Hermann. Miss Jessie Foster played a piano solo, "Impromptu," by Beethoven, brilliantly and Walter Goetzinger played "Overtures in D Minor" by Beethoven, on the organ, in his usual talented manner.

Daniel Roberts' melodious voice was heard at excellent advantage in a vocal solo, "Heart Aches" by Petrie and a duet, "Silent Night," by Novlin, splendidly given by Mr. Roberts and Harry Carter, was one of the best numbers.

Class Night Exercises. The annual class night exercises at the state school were held on Monday evening and were very entertaining. William Dobbins, president of the class presided and a large number of people outside of the teachers and students at the school enjoyed the excellent program which opened with a well rendered piano solo by Miss Elizabeth Emerson.

Mildred McFate gave the class history, tracing its achievements since its entrance at the school, naming the teachers under whom the work had been done and referring to a few of the memorable incidents in the school life of the class.

Mathilde Schmittke gave a humorous account of her impressions of public school life. For some time past Miss Schmittke has been taking care of a blind boy, son of wealthy people at Des Moines, Ia. In order that she might graduate from the state school with her class she was allowed to complete her work in the Des Moines public schools, credit was given her and she returned to this city for graduation.

Poetry and Music. Alfred Feistel read a clever original poem and Samuel Egadve delighted the audience with a cello solo for which Walter Goetzinger played the accompaniment. Mr. Goetzinger also presided at the piano during the beautiful solo which was sung by Daniel Roberts.

A Witty Prophecy. The class prophecy was especially clever and witty. Jessie Foster was the prophet and her imagination and keen sense of humor aided her in making her forecasts entertaining and spicy. After the prophecy the members of the class sang the class song, "The Old School" which is the composition of Caroline Palmer, who is quite gifted in verse writing.

Brief addresses were given both by Supt. A. J. Hutton and by former Supt. H. F. Bliss, who spoke at the special request of the class which had pursued their studies under his direction for six years. Mr. Bliss made some practical suggestions for the future and Prof. Hutton spoke of the achievements which the graduates are expected to attain and of the feeling of fatherly pride which both he and Mr. Bliss would take in those achievements because they had assisted in equipping the students for their life in the every-day world.

A New Heating Device. Without the use of coal or wood. A fire, which can be touched off with a match, gives as much or as little heat as you want, can be turned off or on at will, and is free from odor, dust, or ashes; in fact, a fire which possesses all the advantages necessary for the perfect heating of all kinds of cook or other stoves and furnaces, is worthy of consideration of all citizens interested in the problem of cheaper and better fuel. This new method can be seen in operation for a few days at Grubb Block, on West Milwaukee Street.

FUTURE EVENTS

Benefit dance for W. J. Ryan, a blind student, this evening.
Regular meeting of Crystal Camp, No. 132, R. N. A., Wednesday evening.
Trades Council meeting postponed from Wednesday to Thursday evening.

THE NEWS OF CITY CONDENSED.

See Nash for berries.
Home grown strawberries, 10c a quart. W. W. Nash.
Cherries, gooseberries and strawberries. W. W. Nash.
Victory Fancy Patent flour 89c sack. W. W. NASH.

Embroidery sale tomorrow at Bort, Bailey & Co. dry goods store.
Fifty cent embroideries go at 25 cts. at Bort, Bailey & Co.'s special sale tomorrow.

Embroideries of all kinds at half price tomorrow at Bort, Bailey & Co.'s special half-price sale.
Pillsbury's Best XXXX flour is kept in stock at reasonable prices by the leading Janesville grocers.

Trade winners—
The best 50c tea on earth.
The best 25c coffee on earth.
W. W. NASH.

See the line of embroideries at 2 1/2 cts. per yard that Bort, Bailey & Co. place on sale tomorrow.

Regular meeting of Janesville Chapter, No. 69, O. E. S. this evening at 8 o'clock at Masonic hall.
Creme Marquise complexion soap, 3 cakes to a box, Saturday only 35 cents at Peoples' Drug Co., Worth 75 cents.

Seventy-five cent value in Creme Marquise complexion soap Saturday only 35 cts. at the Peoples' Drug Co.
Seventy-five cent value in Creme Marquise complexion soap Saturday only 35 cts. at the Peoples' Drug Co.
We are obliged to bake pots of beans again tomorrow as many calls for them came today after we had sold out. Grubb.

Saturday the People's Drug Co. place on sale 75 cent boxes of Creme Marquise complexion soap for 35 cents.

Why build a board walk when brick is cheaper in the long run. F. Field Bros. & Co. are building brick walks at 70 cts per square yard.

The King's Daughters of the Baptist church will meet in the church parlors tomorrow afternoon at 2 o'clock. Mrs. Selmar will be the devotional leader.

Hamburg edges and insertions to the extent of 200 pieces and short lengths will be placed in sale tomorrow by Bort, Bailey & Co. at 1-2 price.

No walk is made that is more easily repaired than the brick walk. In Janesville several of these walks are now being constructed by F. Field Bros. & Co.

Expert workmen are employed by F. Field Bros. & Co. in the manufacture of all their brick and cement walks. The cost is no greater to the walk owner.

Cement walks that wear for years must have the best grade of cement in their construction. When you build use Atlas cement and you are sure of the best. Sold by F. Field Bros. & Co.

On June 14, the day of the Mystic Workers' picnic in store on corner of River and Milwaukee streets, the ladies of First M. E. church will serve meals. Dinner, 20 cents; Supper, 15 cents.

A great opportunity to visit. Madison is offered by the U. C. T. excursion on Friday. The special train leaves the C. & N. W. depot at 8:15 o'clock. Friday morning and the one fare tickets are good for two days.

If you want a jolly time go to Madison with the Commercial Travelers next Friday on their special train which leaves this city, via the C. & N. W. road at 8:15 a. m. There will be something doing all the time and the trip is worth taking.

Javanese coffee, 10c. lb. Nash.
Corner store, the best patent flour on earth, \$1.00 sack. W. W. Nash.
Santa Claus soap, 7 for 25c.
Swift's Pride soap, 8 for 25c.
Fairbank's Gold Dust, 15c.
Granoma's Washing Powder, 15c.

La Fayette Cooke, of Evansville, was in the city on business today.
Tomorrow morning at 7 o'clock sharp Amos Rehberg & Co. place on sale the odds and ends of their line of ladies' vic kid \$2.50 and \$3.00 at the slaughter price of \$1.49 per pair. Less than the original wholesale price. At this price it will pay every intending purchaser to be on hand early.

Bargain day awaits the ladies' tomorrow at the shoe store of Amos Rehberg & Co. Special clear up sale of ladies' high cut vic kid shoes at \$1.49 per pair. Earlier in the season these shoes were in demand at \$2.50 and \$3.00. They are well made, stylish and in every way will give the best of satisfaction.

SCARLET FEVER INCREASING

Physicians Recommend The Use Of Pure Pasteurized Milk.

Scarlet fever has again broken out in several places in the city of Janesville. There is no better way to guard against contagious disease than to use pasteurized milk. In Chicago and many other cities the Board of Health has authorized the use of pasteurized milk and the good that this move has brought forth can be estimated. It has resulted in the saving of thousands of lives. Evidence was easily obtained which showed that both typhoid and scarlet fever was traced to the use of milk that had not passed through the pasteurizing process. Tuberculosis or consumption in cattle is to be most dreaded. The pasteurizing plant erected and now operated in the Norcross block on South River street by the Bower City Milk & Cream Co., should receive the hearty support of the entire public. The cost of milk here is the same as you are paying for the impure kind. It is delivered free of charge daily and will keep from 2 to 3 days, being put up in pint and quart bottles. Visitors are most cordially invited to call and inspect the local factory which is the only one in this section of the state.

NOVEL PARADE TO BE BIG FEATURE

United Commercial Travelers Will Have All Sorts of Fun at Madison.

When the local Knights of the Grip and their ladies leave this city next Friday morning for Madison where the Grand Council of the Wisconsin United Commercial Travelers is to be in annual session for two days, they will be well prepared for one of the jolliest of the many enjoyable outings for which traveling men have such a keen appetite.

Janesville Council, No. 108, U. C. T., expects to attend as an organization with scarcely one of the one hundred members missing from the ranks and accompanied by a large auxiliary of feminine loveliness. The gentlemen will be in uniform, a long linen duster, white cap and a cane elaborately decorated with the national U. C. T. colors; purple, gold and white, being the regalia adopted by the local committee for the occasion.

The Janesville Knights expect to wear this uniform in the great parade which will be given by the traveling men on Friday afternoon at four o'clock. Great interest is being taken in this parade because the Madison council is making elaborate arrangements for it and promises that it will be a unique event, something different from anything ever attempted by the traveling men before. Further than a few hints which only serve to tantalize and arouse curiosity, nothing definite can be learned regarding the details of the parade. The greatest secrecy is being observed by the committee having it in charge, although it is known that there will be several grotesque features. The committee has kept its general plans secret by telling the men who are to participate just what costume they are expected to report in. Each man knows what he is to wear, but no further information is given him.

The parade will be the one feature of the convention which the general public will be privileged to enjoy. It will take place early enough so that those from this city who wish to return Friday evening may see the parade before doing so.
The U. C. T. special will leave the Chicago & Northwestern station for Madison Friday morning at 8:15 o'clock. A half-fare rate has been secured, the tickets being good for return until Saturday night, inclusive. The excursion party will not be exclusively one of commercial travelers and their ladies for the public has been invited to take advantage of the low rate, members of the U. C. T. being ever of the opinion that the more the merrier.

AUTOMOBILE TOUR
Mr. and Mrs. Blake of Racine are making trip through the state. H. S. Blake and wife of Racine arrived in the city last night from Beloit on an automobile tour of the state. They have a nine-horse power gasoline travelling carriage, and so far have enjoyed the trip very much. They came from Beloit to this city last night in 27 minutes which is a little less than a mile in two minutes. Their machine is geared up to forty miles an hour and was run nearly that fast at some places between here and Beloit. They left this morning for Madison and expected to get there early in the afternoon.

CITY NEWS IN BRIEF

Looked At City Hall: James Rowson, the city hall contractor and A. W. Rush, the architect were in the city on Monday looking after the building.

Meet Tomorrow: A meeting of the directors of the Janesville Country Club will be held this afternoon at five o'clock at the municipal court rooms.

Marriage Licenses: Marriage licenses were issued today to Charles Garnett and Flora Stevens both of Evansville; Theodore Lake and Tillie Stefanie, both of Beloit.

Gun Club Shoot: The Broadhead Gun Club will hold an all day target shoot in that city on Tuesday, June 20. Some of the members of the Janesville Gun Club are thinking of attending it.

Note: The regular meeting of Ben Hur Court No. 1, is postponed for 2 weeks from Thursday, June 12.

Here On Business: Luis Jackson, industrial commission for the Chicago Milwaukee & St. Paul road was in the city today on company business.

Court: Judge Sale of the County court is engaged today in hearing the contested claims against the Henderson estate.

Sodding Finished: The sodding around the base of the soldiers' monument is now complete and Supervisor Bear and a force are engaged in sodding between the new sidewalk and Court street.

Loop Nearly Ready: The loop for the interurban electric line on Franklin, Wall, High and West Bluff street is almost finished. The crushed stone for macadamizing the track has been distributed along the line, which will soon be finished.

Children Will Sing: The Children's choir of the Congregational church, under the direction of Mrs. W. S. Jeffris, will give its annual festival concert in the church next Wednesday evening, June 18, at 8 o'clock. The children will be assisted by Miss Rita Eaton of Chicago.

Pushing The Work: The Isabel Company will have the upper story of the new building now in the course of erection by Mayor Richardson just north of their present building. This new addition will give much needed floor space for their largely increased business. They also renewed the lease of their present quarters for five years.

A Bad Accident: Fred Benwitz, engineer at L. F. Knipp's City Brewery, met with a painful accident while at work yesterday afternoon. He was repairing the engine when one of his fingers got caught accidentally crushing a portion of it so badly that amputation was found to be necessary. Dr. James Mills cared for the wounded man.

NEWS OF A PERSONAL NATURE.

W. J. Boyd of Walworth, spent the day in the city.

Henry Cohn, of Milwaukee, spent the day in the city.

Miss Helen Ingham of Milton spent Tuesday in this city.

C. J. McGinley went to Brodhead this morning on a visit.

F. H. Parks of Beloit was a visitor to this city yesterday.

C. A. Stanton of Baraboo, is visiting relatives in this city.

Dr. Connell, of Beloit, was in the city yesterday on business.

Collin W. Wright, of Monroe, was in the city yesterday on legal business.

Prof. W. D. Parker, state superintendent of the day schools for the deaf, was in the city today on official business.

Dr. H. B. Anderson of Orfordville, visited relatives in this city yesterday.

H. N. Hott and W. J. Kyle, of Fort Atkinson, visited in this city yesterday.

Charles L. Valentino and wife left this morning for their summer home at Lake Waubesa.

Mrs. John Molvin of Dewaglac, Michigan is the guest of her sister Mrs. O. P. Brunson.

P. L. Myers went to Milwaukee yesterday in business connected with his opera house.

H. E. Miles of Milwaukee formerly of this city visited friends here yesterday.

E. O. Fleck returned home yesterday from a visit with relatives at Maquoketa, Ia.

Under Sheriff Wallace Cochran went to Brodhead this morning on official business.

D. B. Berry of Chicago, representing Scott, Foresman & Co., called at the High School this morning.

Dr. C. L. Stephenson of Brodhead, was in the city this morning on his way home from Milwaukee.

Miss Etta Bishop, of Chicago, is the guest of her sister, Mrs. David Young, 6 South Franklin street.

A. B. Cochran, representing the Racine Fire Engine and Motor Co., was in the city today on business.

Frank Horning of Milwaukee has been in the city for the last few days in the interest of a leaf tobacco firm.

The St. Johns' Lutheran church picnic at Crystal Springs yesterday was well attended and all had an enjoyable time.

Architect J. T. W. Jennings, of Madison, was in the city yesterday looking after the work on the Carnegie library.

P. C. Eldridge, superintendent of the Mineral Point division of the St. Paul road was in the city yesterday on business.

Edward C. Baumann went to Watertown Tuesday. His marriage with Miss Emma Zahn will be solemnized at the Watertown home of the bride's parents, Mr. and Mrs. William Zahn, 915 North Second street, this evening at 7:30 o'clock.

A Chicago Judge has decided that a mother-in-law is no bar for domestic happiness and has as much right in her son's home as a dog, provided she does not bite or catch fleas.

Bride and Bridesmaid's Rose Bushes, 3 for 25c. Roots not disturbed and all ready for transplanting. Full size and ready to bloom.

OPENING PLAY AT GOLF LINKS

Sinnissippi Club Hold Mixed Four-some Yesterday, with 10 Entries.

Ten couples entered in the mixed foursome handicap, the opening event of the season at the Sinnissippi Golf club yesterday afternoon. Considering that the ladies have done very little playing so far this season the scores handed in are quite good. The early part of the afternoon was beautiful, but the cold wind and threatening sky later in the day kept some of the couples who came out late from entering in the event. The match was at nine holes for prizes, consisting of a number of golf balls.

Scores and Winners.
The first prize was won by J. P. Baker and Mrs. J. C. Page, the second by Mr. and Mrs. F. E. Fife and the third by Mr. and Mrs. C. L. Fife. The scores of the different couples were:

	Score.	Handi.	Net score.
J. P. Baker, Mrs. J. C. Page	63	12	51
F. E. Fife and wife	70	12	58
C. L. Fife and wife	70	12	58
Chas. Dunn, Mrs. W. A. Jackson	69	9	59
H. R. King, Helen Fife	76	19	60
H. S. McMillin, C. Fife	76	19	60
C. C. MacLean, Mrs. F. S. G.	74	12	62
Art	74	12	62
A. Schaller, Elizabeth Schlicker	63	0	63
H. O. Carter, Maggie Mount	84	19	68
S. D. Tallman, Elsie Nowlan	82	12	70

Fixing Ground.

The green committee are making great efforts to have the ground in the best possible shape for the game between Rockford and Janesville on next Saturday. The grass on the entire course will be cut with the lawn mower, and the greens put in the best possible shape for the game. The Rockford team, this year is far ahead of last year and the Janesville boys may have to explain how it happened after the match is completed.

Play in Racine.
The team will go to Racine on Saturday, June 21 and play the first match with the Racine club. This will be the first game for the Janesville boys on the Racine grounds, but as they are quite hilly they will not be as much of a change as playing on a flat course.

The present standing of the members of the team are:

1. Albert Schaller,	12. Ed. Baumann,
2. C. C. MacLean,	13. George Baumann,
3. Chas. Schaller,	14. H. R. King,
4. O. Sutherland,	15. E. A. Hyde,
5. J. P. Baker,	16. S. D. Tallman,
6. H. O. Carter,	17. F. C. Grant,
7. L. Brownell,	18. Wilson Lane,
8. Charles Dunn,	19. F. E. Fife,
9. H. S. McMillin,	20. Charles Gage,
10. F. J. Baker,	21. P. H. Sackman,
11. H. H. McKinney,	22. H. H. Bliss.

ANOTHER LETTER ON TAXATION

Continued From Page 1.

message devoted to taxation, as I have stated, was given to the discussion of the law under which the tax commission was created. The Governor entered into the discussion of a properly constituted Tax Commission as the agency to be employed in making investigations, in bringing together for the needful knowledge the Legislature in directing the enforcement of tax laws and in educating the people as well as members of the legislature upon the general subject of taxation, more elaborately than into the matter of making specific recommendations relating to taxation of corporations. He evidently felt that at the stage of development which he found taxation legislation in the State had then reached, less was required of the Executive in the way of recommendation of new tax measures than of increased efficiency in the administration of laws already upon the statute book and of enlarged powers in a commission created to secure such efficiency and to disseminate knowledge of the whole subject of taxation. Aside from his reference to the two methods of taxing railroads, the Governor passed by all other questions pertaining to corporate taxation and all recent attempts to incorporate in our system the ad valorem method of taxing corporate property.

In my second letter on the subject of taxation, I set out at length the recommendations of the first Tax Commission with reference to the taxation of corporations, as found on page 183 of their report. These recommendations were historically important, and I took the opportunity that naturally presented itself in that letter to call attention to them. In the same letter I quoted Governor Scofield's thoroughgoing endorsement of that commission and referred to certain legislation of 1899, relating to the taxation of corporations, which has been framed upon the lines laid down by the first Tax Commission. The present Tax Commission has dealt with both the propositions mentioned by the Governor—the gross earnings and the ad valorem methods—as applied to railroads. I quote from the report of 1901:

"In the early days of this state railroad lines were necessary to the development of the country, and the construction of roads was aided and encouraged in many ways. The most important was the low license fee fixed in lieu of direct taxation upon the property of railroads. Changes in the rate of the license fee from time to time have been made, increasing the percentage to the present rate.

"Railroads have been and constructed and extended under this system of taxation until they have attained their present magnitude and value. They have been financed under the taxation system which has prevailed in this state and adjacent states into which the lines extend.

"The issue of bonds by the different railroads has been held bearing a rate of interest which it is possible might not have been secured if the roads had been taxed at their full value, and the capital stock and bonds were again taxed at the par or market value." (p. 110)

"1. Railway taxes are becoming more and more distinct from the systems applied to the taxation of individuals, and this process is being accompanied by an increasing degree of centralization in the administration of railway tax systems.

"2. In the establishing of distinct railway tax systems in increased departure from the system of the general property tax toward systems based on corporate capital and corporate profits is being effected." (p. 133)

"A tax upon the net earnings from operation would be more nearly just than any other, as such earnings are the test of the actual ability to pay. The objection to a tax on net earnings arises from the fact that such earnings may be decreased by cost of maintenance not legitimately chargeable on that account. The accounts of the road are fairly uniform as to items fairly constituting cost of roads, expenses, maintenance and operation; but there is still some difference in practice among the roads which militates against a tax on net earnings."

"A license fee on gross earnings is a rough, but easy way of railroad taxation and will in time be superseded by a more scientific method.

"The tax on gross earnings has been so long established in this state that a change should not be made unless it is shown a better substitute can be provided." (pp. 36 & 37.)

"The commission believe that it will not be wise to change the license fee system until it has been more thoroughly tested, after so fixing the rates that the tax on gross earnings is placed upon a basis equitable in comparison with the tax on other property." (p. 111.)

"That the license fee system of collecting taxes from certain corporations be maintained, at least until it be given a test under conditions that will make the returns received from it more nearly equal to what would be collected from the same properties on the ad valorem basis." (p. 162.)

"The necessity of finishing a report to the legislature at the commencement of the session has compelled the commission without the returns from the railroad companies to compile the average market value of the stocks and bonds of the roads in the division in the first table supra, from the best and most reliable sources at its command. The market quotations of the capital stock and bonds for each company have been used to ascertain the value of the respective companies named. In order to eliminate all abnormal conditions such as tightness in the money market, manipulation, or other causes which might temporarily affect prices, the highest and lowest market price of the capital stock and each series of bonds for each month have been taken for a period of five years, three years and one year, ending December 31, 1899." (p. 101.)

"The aggregate market value of the entire capital stock and funded debt of the roads having been ascertained

in the mode stated in the second chapter, is \$1,444,591,273. To have secured the sum of \$16,891,265.21 in taxes for 1898 a levy on the property of the value of \$1,444,591,273 would be 1.1545 per cent.

"For the purpose of a comparison of the taxes paid by the owners of real and personal property with that which would fall on the railroads on the ad valorem basis the commission take the average market price of capital stock and funded debt for the five year period as representing the value of the railroads in this state for taxation.

"On this basis the value of the railroads for the five year period is found to be \$217,995,718. If the levy of a tax at the rate of 1.1545 per cent. paid by other property in 1899 was extended up on the property of the railroads on the value of \$217,995,718, the amount of the tax would be \$2,516,760.56. If this rate of taxation were applied to the three years' average valuation of railroads the amount of the tax would be \$2,670,940.95; if applied to the valuation for 1899 the amount would be \$2,913,030.26.

"If now, instead of using the average rate of taxation paid by real and personal property, we add to the aggregate value of these two classes of property the aggregate value of the railroads on the five years' basis, and add to the total taxes collected from real and personal property in 1899 the amount of the license fees paid on the earnings of that year by the railroads, we will have two aggregates from which to compute a different rate of taxation. The rate thus computed would be 1.102 per cent—somewhat lower than the rate paid by the real and personal property. Applying this new rate to the five years' average value of the railroads, we would have as the amount to be paid by the railroads \$2,402,312.81.

"The railway companies claim that the payment of a license fee of 4 per cent. of such earnings is a higher tax than is imposed in the other states through which their lines operate. This appears to be true for the years 1899 and 1900, but whether such is the case through a period of years we are not prepared to say." (pp. 107 and 108.)

"The tax which should be paid by the railroads is determined by the relative value of the roads to other property in the state and the burdens borne by each class, and the fact that the railroads pay less in other states than here is not a valid objection to placing the sum that they shall contribute in the state at such figure as will equalize their burden with that of other property. Each state must work out the problem of equal taxation in the light of the facts existing within its borders; and although reference may be had to conditions in other states they are not controlling; for it is certain that in several states the tax of railroads is heavier than in this state. To make an intelligent comparison on the basis of a tax on the gross earnings, the ratio of taxes to net earnings from operation should also be considered, for it is even a better test of the burden than the ratio of taxes to gross earnings." (pp. 103 and 109.)

"In case, however, a tax more nearly equal to the burden borne by other property in the state cannot be obtained under the license fee system, the commission would favor the taxation of railroads upon the assessment of their property on the ad valorem basis by a state board for a levy of taxes thereon at the average rate of state and local taxes consolidated." (p. 111.)

"That the annual license fee to be paid by the railroads in lieu of all other taxes shall be a percentage of the annual gross earnings graded from a minimum of three per cent. to a minimum of five and one-half per cent.—the graduation and classification to be as follows:

"Three per cent. of the gross earnings of all railroads whose gross earnings do not exceed \$2,000 per mile; the rate thereafter to be increased from the minimum of three per cent. by adding thereto one-tenth of one per cent. for each \$100 of gross earnings per mile until the gross earnings per mile shall equal \$4,500 and the maximum rate of five and one-half per cent. is reached; and five and one-half per cent. of the gross earnings of all railroads whose gross earnings are \$4,500 per mile and over. Thus, railroads whose gross earnings are equal to \$3,000 per mile will pay four per cent.; \$4,000 per mile, five per cent.; \$4,500 per mile or over, five and one-half per cent.

"The railroads in 1900 on the earnings of 1899 paid the sum of \$1,546,720.68, on gross earnings of \$39,487,403.67. The above classification if applied to the gross earnings of the railroads in 1899 will give a revenue approximately \$2,160,000." (p. 162.)

Karl's Clover Root Tea corrects the Stomach

CANCEROUS ULCERS

develop sometimes from very trifling causes, and when and where you would least expect them. A boil, or abscess, burn, blister, wart, tumor, mole, or the simplest little pimple may be the beginning point of a malignant, frightful looking Cancerous Ulcer.

Apparently there is no difference between a Cancerous and Common Ulcer when they first make their appearance, and for this reason every ulcer, no matter how insignificant or harmless it may seem, and all slow healing sores should excite suspicion and cause alarm, particularly if any of your ancestors ever had Cancer, or you have good reason to think your blood is impure; for the sore, after all, is only the outgrowth, the external evidence of polluted blood; and nothing can check its progress until the cancer tainted, vitiated blood has been purified. All efforts to heal the ulcer by means of salves or other external remedies will result in failure, for such treatment can have no possible effect upon the deadly germs and morbid matter that form in the blood and are carried through the circulation to the sore.

MOTHER, TWO AUNTS, AND ONLY A SMALL SORE CAME ON THE WOULD SCAB OVER, BUT NOT HEAL.

SISTER DIED OF CANCER OF THE BREAST.

I had a Cancer on my left breast, which caused me great pain for three or four years. At times the pains were deep and shooting. The ulcer discharged yellow and rather offensive matter. I had given up all hope, as the doctors gave me no relief.

My mother, two aunts and an only sister died of Cancer of the breast, and I am satisfied that I, too, would have been gone but for S. S. S. I felt some better after the first bottle, and after using only seven bottles, was cured. This was several years ago but have seen no signs of the Cancer since. I would urge all who are suffering from the disease to give S. S. S. a trial.

Belton, Mo. MRS. JAMES CASSELL.

About the first of February, 1899, I noticed a small lump on the inside of my lower lip. It annoyed me considerably; the doctor cauterized it and in a few days it dropped off, but shortly after another came and broke into an open sore, and in spite of the large number of remedies I tried, it would not heal. I then went to another, and he gave me something to put on the sore, saying if it did not cure he would cut the sore out. I used his medicine, but received no benefit. I decided a blood purifier was what I needed, and began to take S. S. S. The ulcer was growing rapidly, with some pain and a crawling, creeping feeling. At first S. S. S. seemed to make the sore worse, but this soon changed, and after I had taken seven bottles the place healed entirely; my general health improved and I am as well now as ever and no signs of the disease have been seen since.

Hollands, S. C. W. P. BROWN.

Mr. Jno. Massie, Owensboro, Ky., writes:

"About three years ago a blister came on the right side of my nose. It grew steadily in spite of all efforts to heal it up; the pain was not very severe at first, but increased when the sore began to inflame and discharge matter. At times the place would scab over and appear to be getting well, but the scab would drop off, leaving a red, angry looking ulcer. I had almost despaired of ever curing the Cancer when my attention was called to S. S. S., and after taking a few bottles the Cancer began to gradually grow smaller, the discharge stopped, and I was relieved of the terrible disease."

Cancerous Ulcers can be reached only by a remedy, that acts upon and through the blood system, and this is just what S. S. S. does. It goes to the fountain head of the disease, and drives out the germ producing poisons which cause the ulcer, and purifies and builds up again the deteriorated blood. This is the only true and logical treatment for sores of this character.

By the use of S. S. S. the ulcer is supplied with pure, strong blood, which quickly allays the inflammation and forces out all the irritating poisons, and allows the sore to heal naturally and permanently. S. S. S. acts also as a tonic, and where the constitution has become debilitated and weakened, it restores vitality and strengthens the nervous system, and helps the appetite and digestion. S. S. S. contains no Mercury, Potash or other minerals, but is guaranteed purely vegetable.

Those having a chronic ulcer or sore of any kind that is slow in healing, whether located upon the body or internally, will receive medical advice and such special information as they desire free of cost. Book on Cancer and Other Diseases of the Blood sent free.

THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.

BAD BREATH

"I have been using CASCARETS and as a mild and effective laxative they are simply wonderful. My daughter and I were bothered with sick stomachs and our breath was very bad. After taking a few doses of Cascarets we have improved wonderfully. They are a great help in the family."

New Fast Schedule to Denver.

The Colorado service of the Chicago & North-Western and Union Pacific Railways was changed on June 8. The famous Colorado Special, which has been leaving Chicago at 10:00 a. m., now leaves at 6:30 p. m., arriving at Omaha 7:00 a. m., Denver 8:00 p. m., and Colorado Springs 10:30 p. m. This enables passengers to leave Janesville at 4:05 p. m.

The entire train will be run solid between Chicago and Denver, with through sleeper to Colorado Springs. East-bound the train will be known as the "Chicago Special," and will leave Denver 1:00 p. m., Omaha 3:45 a. m., arriving in Chicago at 4:00 p. m.

Accommodations are provided for all classes of passengers, the equipment including free reclining chairs, dining cars, buffet smoking cars, drawing-room sleepers and day coaches. The entire service to be as nearly perfect as modern and skillful railway management can make it.

Special Train Excursion to Minocqua, Wisconsin.

Via the Chicago, Milwaukee & St. Paul R'y. on Saturday and Sunday, June 14th and 15th. Special program and attraction including baseball game in the forenoon, Arbor Vitae Clubs vs. Flandria Indians; Athletic and aquatic sports and races for prizes; Log rolling contest between Wisconsin river drivers; Balloon Ascension and Parachute Descent at 1:30 p. m., by Madame Frances LeRoy of St. Paul, Minn.; Grand Band Concert at 2:00 p. m.; Baseball Game 2:30 p. m.; Chicago Marquettes vs. Chicago Maroons. Meals served at reasonable rates at hotels and restaurants. State fish hatchery will be open to visitors. Steamer ride on lake 25c. Fine fishing and a large number of boats and competent oarsmen, and plenty of fishing tackle will be available. See flyers for further details.

The special will leave Janesville at 7:55 p. m., on Saturday June 14, and returning will leave Minocqua at 7 p. m., on Sunday, June 15th. Excursion tickets will be good going only on date of sale, and returning June 15th, on above special. Round trip rate from Janesville, \$2.50.

There will also be sleeping cars on this train, rate in each direction for double berth, \$2.00. Make reservations through nearest agent.

For further particulars apply to the Ticket agent of the C. M. & St. Paul R'y.

The Northwestern and Union Pacific New Schedules to Denver.

The Colorado Special to leave Chicago at 6:30 p. m., arrive at Denver 8 p. m. Commencing June 8th, a change will be made in the Colorado service of the Chicago & North-Western and Union Pacific Railways.

The famous Colorado special, which now leaves Chicago at 10:00 a. m., will leave at 6:30 p. m., arriving at Omaha 6:55 a. m., Denver 8:00 p. m., and Colorado Springs 12:20 p. m. This will enable passengers from Atlantic Coast points to reach Denver

with only two nights on the road, while from Detroit, Cincinnati, Cleveland, Indianapolis and Chicago only one night will be required enroute. The entire train will be run solid between Chicago and Denver, with through sleeper to Colorado Springs.

East bound the train will be known as the "Chicago Special," and will leave Colorado Springs daily about 10:00 a. m., Denver 1:00 p. m., arriving in Chicago at 4:00 p. m., at a convenient hour for making connections for the east.

Accommodations are provided for all classes of passengers, the equipment including free reclining chair cars, dining cars, buffet smoking cars, drawing room sleepers and day coaches. The entire service will be as nearly perfect as modern and skillful railway management can make it.

A second daily train for Colorado points will leave for Denver at 11:30 p. m., as at present.

STILL KEEPS IT

"During a period of poor health some time ago I got a trial of Dr. Williams' Little Early Bitters," says Justice of the Peace Adam Shook, of New Lisbon, Ind., "and I have used them ever since." Safe, reliable and gentle, Dr. Williams' Little Early Bitters neither cures nor promotes but stimulates the liver, promotes regular and easy action of the bowels.

REPUBLICAN CONVENTIONS AND CAUCUSES

State Delegate Convention

By direction of the County Committee, conventions of the republican electors of the First, Second and Third Assembly districts of Rock county, Wisconsin, are hereby called to meet at the court house, in the city of Janesville, in said Rock county, on the 8th day of July, 1902, at two o'clock p. m., for the purpose of electing thirty-two delegates to the State Convention to be held in the city of Madison, on the 18th day of July, 1902, for the purpose of placing in nomination republican candidates for state offices to be voted for at the State Convention to be held in the city of Madison, on the 18th day of July, 1902. The thirty-two delegates to be apportioned as follows:

First Assembly District.....11
Second Assembly District.....9
Third Assembly District.....9
Notice is hereby given that a Rock county republican convention will be held at the circuit court room in the city of Janesville, Wisconsin, on the 10th day of July, 1902, at two o'clock p. m., for the purpose of nominating candidates for the following county offices, to be voted for at the general election in November next, to-wit: County clerk, county treasurer, sheriff, coroner, clerk of the circuit court, district attorney, register of deeds and assessor, and for the election of a county committee for said county and a chairman and secretary thereof, and for such other and further business, as may properly come before the convention. The representatives of all the several towns, villages and wards in said county are hereby called to meet at the court house, in the city of Janesville, in said Rock county, on the 10th day of July, 1902, at two o'clock p. m., for the purpose of electing delegates to the county republican convention to be held at the circuit court room in the city of Janesville, Wisconsin, on the 10th day of July, 1902, at two o'clock p. m., for the purpose of nominating candidates for the following county offices, to be voted for at the general election in November next, to-wit: County clerk, county treasurer, sheriff, coroner, clerk of the circuit court, district attorney, register of deeds and assessor, and for the election of a county committee for said county and a chairman and secretary thereof, and for such other and further business, as may properly come before the convention. The representatives of all the several towns, villages and wards in said county are hereby called to meet at the court house, in the city of Janesville, in said Rock county, on the 10th day of July, 1902, at two o'clock p. m., for the purpose of electing delegates to the county republican convention to be held at the circuit court room in the city of Janesville, Wisconsin, on the 10th day of July, 1902, at two o'clock p. m., for the purpose of nominating candidates for the following county offices, to be voted for at the general election in November next, to-wit: County clerk, county treasurer, sheriff, coroner, clerk of the circuit court, district attorney, register of deeds and assessor, and for the election of a county committee for said county and a chairman and secretary thereof, and for such other and further business, as may properly come before the convention. ARE PLANTING TOBACCO CROP

Last Night's Rain Induces Farmers To Place Plants in the Ground.

The next few days will see more of the tobacco crop transplanted to the fields throughout this state than for many years past. Since the rains of early May, the season has been unusually favorable for the rapid advancement of the plant beds.

The great difficulty has been in the preparation of the fields. The growers knowing that an early planting would probably be necessary have prepared a portion of their fields in advance and shaped their work so as to be in readiness to get the plants into the ground early. The early planting may not yield as heavy a crop as a later planting but the quality of the goods produced is much more satisfactory.

Plants Are Ready
At the present time there is an abundance of plants ready to transplant and a large number of farmers that had their fields in shape are taking advantage of the rain of last night to get the plants into the ground.

Early Planting Difficulties
The only disadvantage in an early planting is that the cut worms are liable to do much more damage than in a late planted crop.

The buying of tobacco in this section has slackened considerably, but buyers are still searching for good leaf, and occasionally succeed in securing a few crops at about 9 cents for wrapper and binder leaf. Old leaf is moving slowly, as is to be expected, for the supply is scant and widely scattered.

In Ohio, as in other sections the season for the 1901 crop has about ended in this locality, though a solitary sale is reported once in a while. All attention is now devoted to the new crop and transplanting rapidly. The continued lack of warm weather, however, has proved a serious drawback.

The very few purchases of tobacco being made in New York are the result of long and arduous riding, as the crops remaining in the hands of the farmers are few and far between. In addition the holders seem to appreciate the shortage which many believe will be evident next fall, and are holding their leaf at a stiff figure in consequence. Buyers, however, are just as eager to purchase as growers are reluctant to sell, and are neglecting no opportunity to secure desirable leaf when possible.

Only an occasional sale of tobacco is reported in Connecticut and at a price which the grower, as usual, declares unsatisfactory, though the price is below the hitherto ruling figures or is only less than he had hoped to receive is not stated. As a rule, however, holders are disposed to retain their tobacco a few months when they expect that a scarcity of desirable leaf will make their crops extremely valuable. As the leaf so held is a very small percentage of the entire crop, the most of which has passed out of the hands of the growers, it follows that there is little business being done.

The general market in domestic leaf trading is somewhat hampered by the lack of sufficient supply in cheap binder and wrapper stock. There are but a few packings of last year's Wisconsin left, and naturally the holders are holding out for an adequate price. The filler types are selling right along, mostly in measured quantities to satisfy the immediate needs. If but better prices could be realized the market would settle down without further grumbling of the changed condition of mere jobbing trade.

For the purpose of awakening interest the Growers and Dealers' association of the state of Wisconsin are offering premiums for the best display of tobacco grown in the state of Wisconsin, and exhibited at the annual meeting of the Growers' and Dealers' association to be held in Madison the 10th day of December, 1902.

1st Prize—\$20.00 to the grower displaying the best five-pound sample of cigar leaf.

\$5.00 to the grower displaying the second best five-pound sample of cigar leaf.

2d Prize—\$15.00 to the grower displaying the best five-pound sample of Cuban leaf.

3d Prize—\$25.00 for the best five-pound samples taken from five crops shown and exhibited from any township in the state.

4th Prize—\$10.00 for the best five-pound sample of shade grown leaf.

5th Prize—\$10.00 to the director of townships who secures the largest number of paid-up memberships and presents the same at the next annual meeting.

All of said samples placed on exhibition to be donated by the exhibitors to the association as value received for the premiums offered, as above specified.

All exhibitors for above specified premiums must be members of the association, and growers of samples exhibited.

Fire Loss at Pittsburg.

Pittsburg, June 11.—Fire broke out in the Oliver Iron and steel plant on the South Side. After an hour's hard work the firemen succeeded in getting it under control. The loss is placed at \$25,000.

Acquitted of Embezzlement.
Laporte, Ind., June 11.—Philetus P. Abel, ex-city treasurer of Elkhart, who was tried on the charge of embezzling \$10,000 of public funds while in office, was acquitted by a jury.

Death of Kansas Pioneer.

Salina, Kan., June 11.—Matt Tobin, a pioneer of this state, is dead in this city, aged 105 years. His first wife died in 1830, and his second wife, who survives him, is 95 years of age.
